AFFIDAVIT OF PRIOR INVENTION UNDER

I, ED VAES make oath and say as follows:

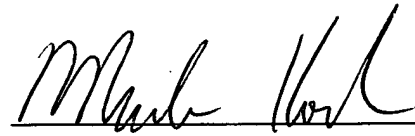

I am the applicant in the above mentioned application and have received communication from the Examiner, namely Gary Graham, dated March 21, 2002, Paper No. 4 in which he has cited against our application, US Patent No.: Des. 412,618 by Parker et al which was filed on December 1, 1998.

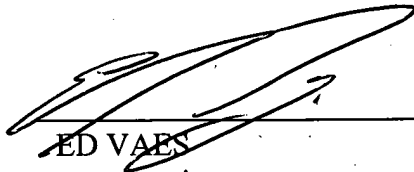

I hereby claim a prior invention date by virtue of our Canadian patent application 1998-2600 filed October 22, 1998 which depicts the identical subject matter contained in our application 09/425,743 filed on October 22, 1999.

Now shown to me and included as Exhibit "A" to this my affidavit is a certified copy of the application received from the Canadian Patent Office indicating that our application was filed on October 22, 1998 under Application No.: 1998-2600. The Examiner will note that Figures 8, 9, 10, 11, 12, 13, 14, 15 and 16 of the present application are identical to Figures 14, 15, 16, 17, 18, 19, 20, 21 and 22 of the Canadian Application 1998-2600 filed October 22, 1998 with the Canadian Patent Office.

Therefore, our date of invention is prior to the filing date of Parker et al in US Patent No.: 412,618 and therefore, this patent should not be cited against our application.
